19. TAX DEDUCTED AT SOURCE

Summary of key provisions related to tax deduction at source ("TDS") under the Income-tax Act, 1961 ("the IT Act"):

- 19.1 All shareholders would either be classified as resident or non-resident, which status is to be determined on the basis of criteria laid down in Section 6 of the IT Act.
- 19.2 As per the provisions of Section 195(1) of the IT Act, any person responsible for paying to a non-resident, not being a company, or to a foreign company, any sum chargeable to tax is required to deduct tax at source (including surcharge and education cess wherever applicable) at the rates in force. Since, under the current provisions of the IT Act, the consideration payable under the Offer would be chargeable to tax as capital gains, or business profits (as the case may be), the Promoter will need to deduct tax at source at the rates in force on the gross consideration payable as computed on the basis of the Exit Price determined as per delisting offer to the following categories of shareholders:
 - A. **If shares are held on investment /Capital Account:**
 - a) **Non-resident Indians:** The Promoter will deduct tax at source from the gross consideration on the basis of short term capital gains (30%) or long-term capital gains (10% if acquired with convertible foreign exchange and 20% if acquired in any other manner), as the case may be. In addition to the above, education cess at 3% would be levied on the tax amount.
 - b) **Overseas Unincorporated Bodies:** The Promoter will deduct tax at source from the gross consideration payable on the basis of short-term capital gains (at 30%) or long-term capital gains (at 20%) as the case may be. In addition to the above, education cess at 3% would be levied on the tax amount.
 - c) **Overseas Corporate Bodies / Non-domestic companies:** The Promoter will deduct tax at source from the gross consideration payable on the basis of short-term capital gains (at 40%) or long-term capital gains (at 20%) as the case may be. In case the gross consideration exceeds ₹.1,00,00,000/- surcharge would be levied at 2% on the tax amount. Education Cess at 3% would be levied on aggregate of tax and surcharge, if any.
 - d) **Foreign Institutional Investors (FIIs):** FIIs enjoy exemption from tax deduction at source on capital gains under Section 196D(2) of the IT Act and hence no tax shall be deducted on consideration payable to FIIs. FIIs should enclose copy of their SEBI registration certificate failing which payment of the consideration shall be subject to deduction of tax at source.
All categories of shareholders above would need to certify in the application form that the equity shares are held by them on investment/capital account and not in trade account, if they contend so.
 - B. **Consequences of Failure of certification:**

If the non-resident shareholders fail to certify in the application/bid form that the equity shares are held by it on investment/capital account or equity shares are held as stock in trade and, in addition to above requirement if FIIs fail to attach the SEBI registration certificate, then the Promoter will deduct tax at source on the gross consideration at the rate of 40% in case of Corporate shareholder and 30% in case of any other shareholder. In addition to the above, in case of corporate shareholder, surcharge would be levied at 2% on the tax in case the consideration exceeds ₹.1,00,00,000. Education cess at 3% would be levied on the aggregate of tax and surcharge, if any, in all cases.

In the event the aforementioned categories of shareholders require the Promoter not to deduct tax or to deduct tax at a lower rate or on a lower amount, they would need to obtain a certificate from the income tax authorities to that effect, and submit the same to the Promoter before receipt of the consideration for the sale of equity shares. On failure to produce such certificate from the income tax authorities, the Promoter will deduct tax as aforesaid, and a certificate in the prescribed form shall be issued to that effect.

19.3 No tax shall be deducted at source from the payment of consideration made to resident Public Shareholders.

19.4 For the purpose of determining as to whether the capital gains are short-term or long-term in nature, the Promoter shall take the following actions based on the information obtained from the Company.

- a) In the case of Equity Shares held in physical form that are registered with the Company in the name of the Shareholder, the date of registration of the Equity Shares with the Company shall be taken as the date of acquisition.
- b) In the case of Equity Shares held in a physical form and where the tenderer of shares is not the registered shareholder, the capital gain shall be assumed to be short-term in nature.
- c) In case of unavailability of information with the Company/Promoter or in case of any ambiguous, incomplete or conflicting information, the capital gains shall be considered to be short-term in nature and the tax shall be deducted accordingly.

19.5 In a case where tax is deductible at source, position summarized above is applicable in case of shareholders who have obtained Permanent Account Number ("PAN") under the IT Act and furnish PAN in the Bid Form. Copy of PAN card is also required to be attached as evidence.

However, in case PAN is not obtained or PAN is not mentioned in Bid Form or copy of PAN card is not attached, tax at the rate of 20% or at the applicable tax rate (plus applicable surcharge and education cess, if any), whichever is higher, will be deducted at source.

19.6 The Promoter, the Company and the Manager to the Offer and any of their affiliates do not accept any responsibility for the accuracy or otherwise of the above advice. Shareholders are advised to consult their tax advisors for the treatment that may be given by their respective income tax assessing authorities in their case, and the appropriate course of action that they should take. The tax rates and other provisions specified above are based on the current position in law and may undergo changes.
